STUDENTS ENJOY 50'S DANCE

On November 18, the Colonel staff and the Recreation staff sponsored a 50's Dance in the Food Service. About 70 people, including the Louisville Tarpons, enjoyed the dance, games and food. The style of music was 50's dance hits and modern Top 20 tunes. Ed Phillips was D.J.

There were five contests and the winners are as follows: Faye Cain and Terry Ward, 50's dance; Faye Cain and Leslie Riggs, modern dance; Terry Ward, hoola hoop contest; two members of the Tarpons won the bubble gum contest and marshmallow contest.

Everyone enjoyed the dance and recreation. ***

SENIOR WORK DAY

The annual Senior Work Day Auction took place on Nov. 4, in Langan Gym. Mr. Mann was the auctioneer. Spirits ran high as students as well as faculty cast their bids on "slaves" for a day.

Bids started at \$1.50 and up. The worker was to work for a maximum of six hours for the person or persons who

bought him. Seniors enjoyed the excitement of the auction and were glad to put forth their efforts to work for someone. Seniors participating as slaves were Ronny Wheatley, Kenny Jennings, Kenny Jones, Kathy Stokes, Mike Taylor, Jo Ann Stewart, Mary Jo Hackworth, Scott Thomack and Debbie Cheek. Senior Slave Day has always been a worthwhile project and money-raising event for the Senior Class.

DECEMBER IS---

December is a time when snows cover the ground with a thick white blanket and crisp sparkles of ice hang from trees and roof-tops. Children make snowmen and have snowball fights. Everyone is laughing and singing, for Christmas is in December and the celebration of Christ's birth is going on everywhere. There is a happy feeling in the air and I think it's beautiful. I think December is the most important time of the year.

In the future, Mike plans to attend vocational school to study basic electronics. Some of his hobbies are collecting Raleigh stamps, working out-of-doors, collecting old 78 r.p.m. records and enjoying electronics.

Kenny has served twelve faithful years here, but he looks forward to his career in band instrument repair. Kenny says, "I have enjoyed K.S.B. and I am sad, yet happy to leave."

CHRISTMAS IN KENTUCKY

Kentucky is a southern state, so at Christmas you naturally will most likely have a big, juicy ham or turkey, with dressing, cranberries and wine, mashed potatoes, green beans, gravy, pumpkin pie, cherry pie and ice cream. Decorations are like any other state in the United States. That is what Christmas in Kentucky is.

---David Raynes

HERE COMES THE BRIDE

Miss Jean Flowers, a teacher in K.S.B.'s Primary Department for eleven years, will marry Mr. Ray Randles on December 28 at 4th Ave. Baptist Church in Louisville.

Miss Flowers will be honored at a household shower on December 14 in the Home Ec living room. K.S.B. staff and friends send congratulations and best wishes.

SENIOR MONEY RAISING PROJECTS

The Senior Class decided during their October meeting to sell chances on 36 bars of candy and on an AM-FM Weather Band Radio.

Three weekly drawings were held on the candy. The winners were Mr. Jack Johnson, Billy Gill, and Mrs. Irene Price. The radio drawing will be held on the day of the Christmas party, December 15.

OPEN-HOUSE CHRISTMAS PARTY

Huntoon House held an Open-House Christmas Party on Thursday evening December 8, from eight to eleven p.m. A buffet style dinner was served at 8:45 p.m. The boys of Huntoon had decorated the dormitory and served the refreshments. Mrs. Berry, Mr. Fairley, Mr. Rush, and Mr. Rushing are houseparents and sponsored the Open-House.

LIONS' TO HOST CHRISTMAS PARTY

On December 15, at 10:00 a.m., the annual Lions' Christmas party will be held in the Richie Auditorium. The party is sponsored by the Lions' Club and the music staff.

The first half of the party will be an assembly. Those performing are the Handbell Players, the combo--Free Spirit, the Chorus and different students singing solos.

The second half of the party will begin with the annual presentation of the gift to Santa Claus and the Lions giving each student a Christmas present. It promises to be fun.

WINTER

Winter is the temperature dropping from the 80's and 90's to freezing. It is the time of year when some are inside snuggled up to their fires while others are outside enjoying the cold temperatures and snow. Yes, there are some that dread the coming of the winter months, but there are millions that don't!

---Ronny Wheatley

CHRISTMAS IN KENTUCKY

Kentucky is a special kind of place, but around Christmastime it is an extra special place. The South is known for its fast horses and beautiful women, but it is also known for the natural friendliness which everybody possesses. The people of the South are automatically friendly to any and everybody from anywhere else. All it takes is that special spirit of Christmas to make life really worth living for all mankind.

---Don Young

WINTER, LEAVE SOON!

The day has come when winter has struck. Icicles begin to cling to trees and snow covers roads and ground. Winter is evil because it causes roads to be slick and accidents to occur, often resulting in death.

Winter, leave soon!

---Kathy Stokes

A NEW NURSE ON CAMPUS

Mrs. Rebecca Evans began working as K.S.B.'s new nurse on November 1. Her hours on campus are 2:00-10:00 p.m. on week days.

Mrs. Evans is originally from Hashville, Tennessee, but she came to Louisville in August. She likes living here and plans to stay for at least three more years.

Some of her hobbies are baking and rug hooking. She was recently married and in the future, plans to raise a family.

MEMORIES OF CHRISTMAS

Kenneth Jones

Christmas is the most festive time of the year. Through the fifteen Christmases I have lived, I have had many exciting moments. I never really believed in Santa Claus. I knew that the story about his delivering toys to boys and girls all over the world was impossible.

I don't remember how old I was during any Christmas until I was about ten years old. The first Christmas I remember I got a James Bond car, a lumber truck, and a fire engine that ran on batteries.

When we moved, my brothers and I would get up about three o'clock in the morning and play with our toys. That year my brother got an electric train set and I received a Hot Wheel set.

The most exciting part of Christmas is when friends and family come over to open gifts and to eat Christmas dinner.

In the past few years, our family has tried to look at Christmas in a different way. Instead of taking it commercially with lights and opening of gifts, we are going to take it more for what is it--- Christ's birth.

CHRISTMAS

At Christmas time
The children have fun
And laugh
As they run.
Over the snowy path
At Christmas time.
The grown-ups
Are filled with joy,
Always like every
Little girl and boy
At Christmas time.
The carols that
People sing
Are all glad tidings
They bring.

---Shelbie Caldwell

WINTER

Jerry Coin

Winter, winter, so beautiful to see,
Winter, winter, all the leaves have
fallen off the trees.
Winter, so lovely for me.
I love to go out and roll up me.
And I love the snow, so very lovely to
play in so I roll and roll until
I can't find me.
Winter--a fun time of year.

CHRISTMAS MEMORIES

I remember when I was little and one of my favorite times of the whole year was Christmas. The reason Christmas is so special is because Jesus was born on that day. But back then, the reason I liked it so much was the food and the presents. I guess everybody has certain reasons why he likes Christmas, but the most common is receiving gifts. Almost all of the fun of a Christmas party is food and gifts. There are other things that I feel are more important. The feeling of giving, the feeling of love for all people, the fun of decorating, and the feeling of living and sharing with others are more important to me.
